Sponsorship Opportunity

The Grand Point Leadership Network is a gathering of leaders from various community arenas seeking to grow in their leadership potential. The GPLN is specifically focused on the growth and development of leaders. We believe that everyone wins when a leader gets better, so we strive to impact our communities and beyond by impacting the leaders who will shape them.

We want the GPLN to become the place leaders turn to gain clarity, affirmation, and direction on their leadership journey. We long to hear the stories of positive leadership impact and see greater engagement when our leaders are together. Grand Point leaders will be known as people who add value to others, our organizations, and our communities without personal agendas or personal gain.

Each month, Grand Point Leadership Network hosts a breakfast gathering where 60 – 100 local business leaders come together for a time of learning and networking.

To that end, we would like to offer the opportunity for businesses to sponsor our monthly breakfast gatherings. Your \$500 monthly sponsorship includes:

- A table at that month's gathering to promote your business
- Your business logo included in that month's visual presentation
- Recognition from the platform
- Your business highlighted as the monthly sponsor in that month's email and social media promotions
- An opportunity to place a business advertisement at each seat

If you are interested in learning more about sponsoring one of our GPLN Breakfast Gatherings, you may contact Chad Chute at cchute@grandpoint.church or 717-263-9523.
